Cashback program

Our mission is to help your business grow and what a better way to do that, but by having a cashback program.

You will benefit from 15% cashback, for Platinum Metal users and 10% cashback for Platinum users, when you pay with your card at our myPOS Online Shop at, <https://shop.mypos.eu/en/> or at our myPOS Stores across Europe.

In addition, purchases made with Platinum & Platinum Metal are eligible for 0.1 % cashback on the amount of the transaction, unless the transaction is a non-eligible cashback transaction (see below). This means that 0.1 % of your purchases will be credited back to the account once a year in December . In case your myPOS account is terminated you will lose your right of the cashback accrued.

NON-ELIGIBLE CASHBACK TRANSACTIONS

There are certain cases where cashback transactions are non-eligible for the program:

- If you make a payment to another payment card such as credit card
- If you make a payment to another account such as e-wallet, bank, cryptocurrency or gambling
- Transactions associated with breaking any law or regulation

IMPORTANT:

In some cases, the cashback previously paid out to you might be deducted or withheld. Such cases where:

- Your payment was subject to any kind of refund, i.e. a chargeback;
- Your payment was linked in any way to fraudulent actions;
- The cashback was generated through actions that constitute a breach of the legal agreement with myPOS, including any policy therein; or
- You have outstanding obligations towards any company engaged in the provision of the myPOS Service to you

myPOS retains the right to deduct any due amounts from your myPOS Accounts in these instances. In case your myPOS account does not have sufficient funds, this could lead to legal action.

This would also apply to any due fees for the use of the myPOS Platinum and myPOS Platinum Metal cards.
